A KID'S GAME

Bruce

Where is that cheeky Peter?
What he's done has gone far
I've never felt so glad
Of still having his cards
From School I am suspended
My father wants me out
It's nowhere I belong to
And all for his old cards

Chorus

Peter + Bruce

All this while
Looking for them in vain
All this while
It's more than a kids' game
It's a choice
to end what hurts you the most
It's a choice
To stand up for what's yours

Bruce

Here we have cheeky Peter!
What you've done has gone far
You'd better run and fast now
I've never been this mad

Peter

At School you're a big bully
Up on this roof top, too?
You know why I don't like you
Done nothing and I should!

Chorus

Peter + Bruce

All this while
Looking for them in vain
All this while
It's more than a kids' game
It's a choice
to end what hurts you the
most
It's a choice
to stand up for what's yours

Bridge

Bruce

Headmaster called me in
It's 2 weeks I am off
My phone, Play Station,
everything

My dad has taken all

Chorus

All this while
Looking for them in vain
All this while
It's more than a kids' game
It's a choice
to end what hurts you the
most
It's a choice
to stand up for what's yours

JUSTICE WILL BE DONE

Peter

I wish I could fly
A red cape I'd wear
I'd enter his room
And face him right there
Lois
Well then here's your belt
Become the Man of Steel
So this is your cape
Let's face him for real
Peter + Lois
We can find the strength
If we stand together
Facing your own fears
Ending them forever
Chorus
Lois + Peter
All this ends now
The time has come
We'll get those cards
Justice will be done
It will be done!
Lois
I'll be the Girl of Steel
X-ray vision, super strength

Peter

I'm stronger if you're near
His bullying now must end
Peter + Lois
Through his window we'll fly
We'll do it together
We will get the cards
This will end forever
Chorus
Lois + Peter
All this ends now
The time has come
We'll get those cards
